

Clear Pronunciation1

Speak clearly, with confidence

5 tips for pronunciation

- 1** Can you hear the difference between /p/ and /f/? Step 1 is to **listen** to the two sounds together.
- 2** **Copy** the experts. Repeat each sound in different places in a word: beginning, middle and end.
- 3** **Listen to yourself.** Use the Recorder and compare yourself with a native speaker.

- 4** Learn the **International Phonetic Alphabet (IPA)**. This will help you hear and say new words.
- 5** **Practice** is key! Say the sounds again and again — and use them when you talk to other people.
