

This tutorial will show you how to use the Recorder.

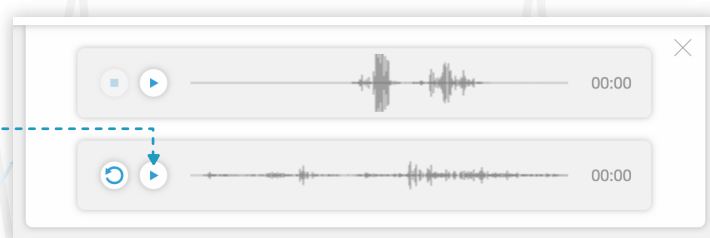

- 1 Click the button. Then start listening.

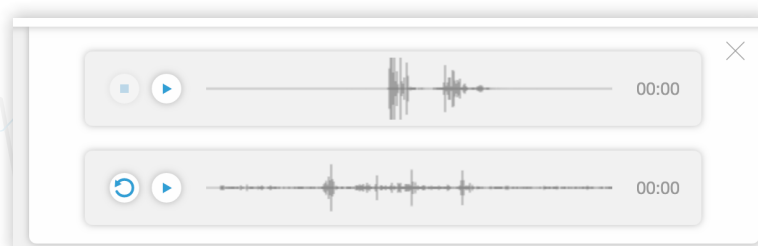

- 2 When the audio has finished, record your audio.

- 3 Click Play to listen to yourself.

- 4 You can compare your pronunciation with the exercise audio. Try playing one after the other.

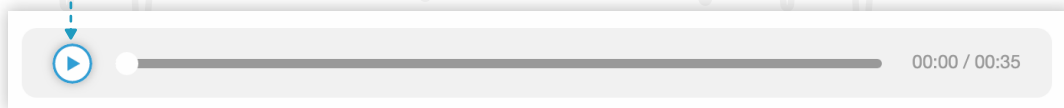

Follow the four steps below.

1 Read the instructions.

We often think of sounds being the same as letters of the alphabet. Sometimes this is true, and sometimes it is not. Read the story below and listen to it. Click or tap on the highlighted words ONLY if you hear the /w/ sound.

 Voice from: Australia

2 Do the activity. All the activities have audio. Click the button to play the audio. (You can listen to it as many times as you like.)

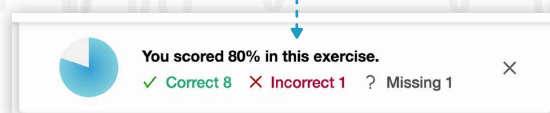

3 Complete the questions. Sometimes you will have to type to answer the questions. Sometimes, you will click or tap.

Instructions

1. In a small _____, _____ the marmalade, orange juice, _____, sugar and Gravy Master.
2. Grill the chicken pieces for 15 _____, turning frequently.

4 When you have finished, choose Marking / Scoring. You will see your score.

Then, click or tap on Show the answers, and on Feedback. (Not all activities have feedback.)
