

Dynamic Placement Test Admin Panel: Quick Tests

This 5-minute tutorial will show you how to set up a Quick Test.

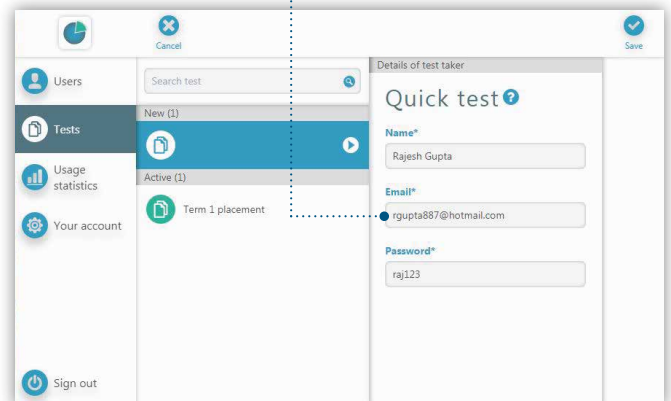

1 Create the test

- 1 Sign in at <https://admin.clarityenglish.com> with your **administrator** or **teacher** account.
- 2 Click on **Tests** on the left.
- 3 Click on **Quick test** at the top right.
- 4 Fill in your student's name, email and password, and click **Save** (top right).

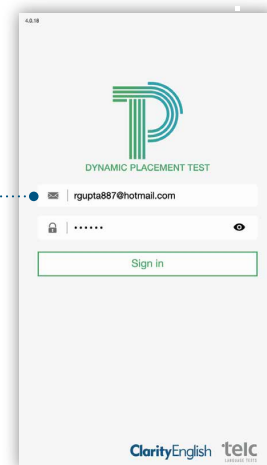

2 The student does the test

- 1 Tell your student the URL and sign-in details.
<https://dpt.clarityenglish.com>
- 2 The student does the test.

3 Results and certificate

- 1 When you have finished the test, click on **Tests** on the left (as above).
- 2 Select your Quick test and click on **Reports** and **Certificates** at the top.

Tip

Sign-in and security is by a unique email address + password combination. If you want to use the same email again (e.g. student1@myschool), you can — but you **must** choose a new password.
