Answers

1. *For example: 'Log in to the school website and click on the link on the IELTS prep page. You can use laptop, tablet or phone.' Obviously, it is important to be able to direct learners clearly and accurately.*

2. *Students will learn about the IELTS question types and will read hints and tips for the different parts of the test. The Starting Out section is available as a video and can be downloaded as an ebook.*

3. *Listening – 1; Speaking – 6; Reading – 1; Writing - 5*

4. *These are in the Practice Zone section for each skill.*

5. *Click on the Progress Report button on the Home page. This will give you an overview of your activities in each skill area, a breakdown of all Practice Zone activities and an analysis of your performance.*

6. *Speaking. All the others have downloadable, printable mock tests, but the Speaking mock tests are completed online.*

7. *'Think about skipping difficult questions and coming back to them later.'*

8. *'Read the instructions.'*

9. *In Phuket, Thailand*

10. *£90*

11. *You can download the Test paper in the traditional format, or you can use the IELTS on computer simulator.*

12. *Study Guides and Study Planner, IELTS Score Calculator, IELTS Countdown, Advice from Test takers*

13. *There are many effective ways to use Road to IELTS with your students. For some ideas, go to blog.clarityenglish.com and access the IELTS for teachers section. There, you will find case studies from British Council projects in Bangalore, Vietnam, Greece, Hong Kong, Paris and others.*
