

This activity will give you an overview of the contents and functionality of Road to IELTS. First, explore the program to answer the questions below. Then, choose one of two sections to work through in more detail. Think about how you will use Road to IELTS with your students.

1. How do you start Road to IELTS in your institution? Provide instructions for students.

---

---

2. What can students learn from the *Starting Out* section? In what format(s) is it presented?

---

---

3. How many videos are there in the *Advice and Tutorials* section of each skill?

---

4. Where can you find the interactive practice activities in Road to IELTS?

---

5. Where do you click to find out how much of Road to IELTS you have completed?

---

---

6. Which skill area does NOT have downloadable test practice material?

---

7. What is the final test tip on page 6 of the *Reading* ebook?

---

8. In the *Listening* section, Roxanne gives 'IELTS Listening Advice'. What is her first piece of advice?

---

9. Go to *Speaking, Practice Zone, Set 7, Analysing a test taker's answer*. Where does the candidate's story take place?

---

10. Go to *Listening, Practice Zone, Set 10*. What is the cost of the Italian conversation course?

---

---

11. For *Reading*, *Listening* and *Writing*, there are two ways of doing the *Test Practice* activities. What are they?

---

12. List the four sections in the *Resource Bank*. What is the purpose of each of them?

---

---

---

---

13. How will you use Road to IELTS with your students? Make notes.
