

## Teacher support

### Getting to know Road to IELTS

Before you use a new program with your students, it is essential that you know both the contents and the way the program works. Try this short activity which has been designed to help teachers get to know Road to IELTS.

#### First look at the functionality.

1. How do you start Road to IELTS on the computers in your institution? Provide instructions for students.

---

---

2. What can students learn from the Starting Out section? In what format(s) is it presented?

---

---

3. How many videos are there in the Advice and Tutorials section of each skill?

---

---

4. Where can you find the interactive practice activities in Road to IELTS?

---

---

5. Where do you click to find out how much of Road to IELTS you have completed?

---

---

6. Which skill area does NOT have downloadable test practice material?

---

---

#### Now investigate the content.

7. What is the final test tip on page 6 of the Reading ebook?

---

---

8. In the Listening section, Roxanne gives "IELTS Listening Advice". What is her first piece of advice?

---

---

9. In the Speaking Practice zone, Set 1, four candidates speak on the same topic from Phase 1 on the test. What do they talk about?

---

---

10. What is Karen Howlett's work telephone number? (Hint: It can be found in Set 10 of Listening in Practice Zone)

---

---

11. In the Test Practice section, how do you access the audio for the Listening tests?

---

12. List the four sections in the Resources Bank. What is the purpose of each of them?

---

---

---

13. How will you use Road to IELTS with your students? Make notes.
